

## EU Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of:

**Certification Holder /  
Manufacture** Gantner Pigeon Systems  
Montafonerstraße 10  
6780 Schruns  
AUSTRIA

**Product Designation** BENZING Express G2

**Product Description** The BENZING Express G2 is a timing system for the pigeon racing sport. It stores all pigeon data and precisely times the arrivals of pigeons. It displays this data on a screen. The arrivals itself are scanned with connected readers.

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation: Directive 2014/53/EU
